## HOW TO WEAR GIRLY PREPPY

This season, it's great to dress up all feminine and sweet. Look for Peter Pan collars, full skirts, Mary Janes, pussy bow collars, and A-line dresses. Add grown-up accessories and voila!

Brooklyn Decker.

Naya Rivera.

Keira Knightley.

Alexa Chung.

Evan Rachel Wood.

Felicity Jones.

### FOR COCKTAILS

Opt for lace or chiffon dresses and look for details like Peter Pan collars for that preppy touch.

**TIP:** Peek-a-boo keyhole necklines and shorter hemlines add a sexy grown-up edge to this girly look.

### FOR WEEKENDS

Soft tones and neutrals are perfect on relaxed days while A-line dresses and bows bring out your youthful and playful side.

**TIP:** Keep your hair down and your make-up soft for this look.

### FOR WORK

Stick to solid colours, clean lines, monochromes and luxurious accessories for an added touch of grown-up elegance.

**TIP:** Go head-to-toe in one tone – it is both slimming and sophisticated.
